### TranquiliT Boutique News

Visit Tranquil Space Yoga's recently expanded boutique. New brands include To The Max, Sweetees, Sweet Pea, and a line designed by Kimberly Wilson, the yoga center's creative director. Some of her items include a soft jersey tie top with ballet sleeves (\$55) and a sheer mesh stretch top with cap sleeves and a removable flower pin (\$55)—both are studio- and street-appropriate. Portions of all sales are donated to My Sister's Place, a group working to eradicate domestic violence.
